Additional 3 day Country rides during the year will take place on Mar 21st 22nd 23rd and Nov 15th 16th 17th

Leaders Choice Rides = Allocated ride leaders will lead the ride on the suggested route to the chosen venue.

Public Holidays are underlined and highlighted = Rides may still take place, but venues may change. Club Meeting Dates are bolded in **RED and Underlined**

The distances listed are for the most common route taken but may vary on the day. Some train travel may be involved on some rides. Bring your MYKI

Where the word (Train) appears before the venue, we use it enroute to the venue, or if it appears after the venue, we use it on the return journey.

Where SS appears before the venue, the ride will be conducted as a SHORT SLOW RIDE

There are various routes that can be taken to each of the venues above. The ride leader for the day will select the route.

We also have **Away from home rides** which require travel by car or train to the starting point or for the return journey. Some of these rides overlap listed rides.
