Ride Leaders to please verify café before each ride.

**Please Note:**

\* All riders must be fully vaxxed, provide their current phone number & a number for their emergency contact, & carry a MYKI card.

\* N.B. Ride Kms is for a recent ride to that destination. Distance will vary almost each time a ride is ridden. Factors are:

Ride leaders route selection, trailworks or roadworks, group ability and participants' suggestions, etc

\* Where (Train) appears before the destination, we use it to the venue. (Train) after the venue, we use it for the return journey.

However - train direction may vary depending on the day's wind direction or weather forecast.

\* Rides are conducted at a conservative pace (approx 13 - 15 kph) to get to the café & return within reasonable time.

\* Depending on numbers the group may be split for safety and management.

\* Country Rides will take place in April (Port Arlington, 1 day): contact Sue G for details (suegriff@tpg.com.au).

In May (Yea, 1 day) & October (Foster, 2 days): contact Gordon B for details (gkbettenay@gmail.com)
